Dear Stanton Families:

Welcome back! We can't wait for the students to be back filling the classrooms and hallways with their energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of our Stanton family. Together, we create a safe and positive environment that challenges all students to reach their full potential.

We are also very excited for you to see the building improvements that were completed over the summer.

The best way to stay informed is to check Skyward daily and read the daily announcements and monthly newsletters on our website d114.org.

We are honored to serve as the principal and assistant principal at Stanton and look forward to an amazing school year. Go Foxes! 🐾

Sports Physicals

If your child(ren) is planning to participate in athletics during the 23-24 school year, they must have a current sports physical on file *before* trying out. Sports physicals are valid for 13 months, so plan ahead.

Cross-country, volleyball, and soccer tryouts are August 21 and 22. Because all students entering 6th grade must have a school physical, including up to date vaccinations by October 15, 2023 a separate sports physical is not necessary but must be turned in before trying out.
